NARRATIVE:

Oscar Bojorquez has an extensive adult criminal history that began at the age of 22. His convictions include assault with a deadly weapon, multiple cases of domestic violence with injury, battery, grand theft, resisting an officer, possession of PCP for use, possession of controlled substances, trespassing, multiple cases of possession of drug paraphernalia and unlicensed driver. He has served multiple prison terms, the longest being a 3 year term for domestic violence with injury. Bojorquez was released from state prison to the supervision of the Los Angeles County Probation Department on December 20, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Bojorquez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for domestic violence with injury is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
